

14th HALIFAX SCOUT TROOP

will hold its

ANNUAL CAMP

this year at

Addingham, Nr. Ilkley, Yorkshire.

from

Friday, August 7th, to Sunday, August 16th, 1942.

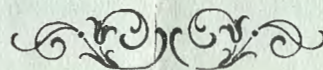

Camp Chief: Mr. F. Crawshaw, G.S.M.

Who has smelt the wood smoke at twilight,
 Who has heard the birch log burning,
 Who is quick to read the noises of the night,
 Let him follow with the others,
 For the young men's feet are turning,
 To the Camp of proved desire and known delight.

R. Kipling

Dear Parents and Friends,

The time for Camp is here again and we are looking forward to having a good time at Addingham, nr. Ilkley.

Although War Conditions prevail and catering and travelling arrangements are none to good we are keeping up the tradition of the troop, and going to camp as usual. I wish to remind all scouts of this, that Gas Masks and Identification Cards must be taken and every member should have the Camp Address at home with his parents or a friend. I invite any parent or friend who would like a day trip on Wakes Week to come over to camp on Wednesday, if possible, as that day is set apart for Visitors.

Any scout in doubt on anything concerning camp please inquire from the Scouter's Secretary, R. Berry, or the Camp Chief. I will close now hoping for a fine week, with some real behaviour from the boys which all goes to ease the responsibilities of the Scouters.

Yours in scouting,

FRED CRAWSHAW,

Camp Chief.
